

Foundations - Overview

In order for us to effectively share our faith with our friends it is first important for us to have a full understanding of what it is that we believe. This module is designed as a precursor to the other modules and focuses on how we can share our faith. While the lessons in this module can be done in any order, it is recommended that you begin with Lesson 1.

In Lesson 1, **Is there a God?**, we will ask the question that forms the foundation of all our beliefs: “Is there a God?” This is the starting point for anyone wanting to be able to share their faith. To be able to articulate why we believe God exists is a crucial aspect of sharing God with those around us.

Lesson 2, **The Bible**, is a look at Jesus Christ and salvation. What does it mean? Why did Christ have to die on the cross? How do we accept Christ into our lives?

In Lesson 3, **Salvation is Here**, students will gain an understanding of where the Bible came from. Key questions that will be asked are “How did we get the Bible?” and “Can I trust it?” The authenticity and accuracy of the Bible has long been challenged. It is important for students to be able to defend the Bible as authoritative.

Lesson 4, **Angels and Demons**, is a look at precisely that topic. The Twilight series, based upon the lives of teens and vampires, has sparked an interest in immortality. This lesson will look at immortal beings and help students understand the reality of the spiritual world of angels and demons.

There are two bonus addendums (lessons) to this module. These are designed to help answer some of the key questions teens are asking today. The first is a lesson on worship. A key aspect of our lives as Christians is gathering for worship. This lesson

will look at what that means and how we live it out in our daily lives. The second addendum is a lesson on the End of the Earth. With the popularity of the movie 2012 there has been a resurgence of people asking about what will happen at the end of the world. This lesson will take a look at this from a Biblical perspective.
