

Dear Ministry Partners and Friends:

We are always excited about the ways God continues to reach those who don't know him yet. Although we had some unexpected logistical issues, we will be hosting this season's Centre Court differently.

We will have Herbie Kuhn, the voice of the Raptors, in a livestreamed post-game interview. Herbie has been the PA announcer since day one with the Raptors and a co-chaplain for just as long. He will be sharing not just his own post-game analysis but also the ways Jesus has impacted his life.

We trust this will be a catalyst to more faith conversations you'll have within your group and invited friends.

There are a couple of ways your group can participate:

- ⊕ **Come to the game.**
You can purchase game tickets yourself to enjoy the game. (We'll have some onsite contests.)
- ⊕ **Watch the game together remotely.**
Get together with your group and watch it at someone's house.

Centre Court is a first point-of-contact for your ministry's non-Christian friends. The program has a pre-evangelistic focus, like it has in past years. It is an event that non-Christians are interested in, and it also demonstrates Jesus' influence in the lives of students and others.

This registration package will outline how you can join us this season. If you have any questions, please do not hesitate to call Alvin (416-620-2946).

In Christ's work,
CBOQ Youth Team

REGISTRATION (STARTING JANUARY 2, 2024)

You can register either:

- ⊕ **Online:** Complete the form at cboqyouth.ca/cc2024
- ⊕ **By Phone:** Call in your reservation at (416) 620-2946. Leave your full name, your church name, and your email address.

Centre Court this year is **FREE** to participate in our online activities. You can decide how you want to access the game, whether in-arena or remotely (cable, streaming, etc.); those costs are your group's responsibility.

We also recommend you continue to follow your church's child safety policy and procedures in whichever way you choose to participate.

ON MARCH 22...

1. If you are coming to the game, let us know and we'd love to connect with your group (or at least you).
2. If you're hosting a watch party, make sure you have all the audio-visual components installed properly to show the game.
3. We will send more details closer to the date about our contests and how you can access the livestreamed post-game interview with Herbie.
